*Educated*

*By Tara Westover*

Tara Westover was seventeen the first time she set foot in a classroom. Born to survivalists in the mountains of Idaho, the family was so isolated from mainstream society that there was no one to ensure the children received an education. When one brother got himself into college and came back with news of the world beyond the mountain, Tara decided to try a new kind of life. Her quest for knowledge took her to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home.

Be sure to reserve a copy today!

THURSDAY, DECEMBER 27

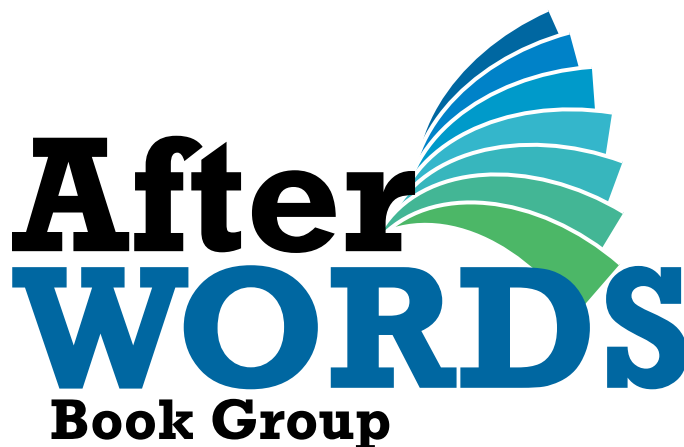

*A Christmas Memory*

*By Truman Capote*

Seven-year-old Buddy inaugurates the Christmas season by crying out to his cousin, Miss Sook Falk: "It's fruitcake weather!" Thus begins an unforgettable portrait of an odd but enduring friendship and the memories the two friends share of beloved holiday rituals.
